

Elementary Handbook and Procedures 2019-2020

The information on the following pages is a brief summary of some of Bristol Township School District (BTSD, School District, or District) policies, procedures and practices. If parents/guardians and/or students would like to review the full policies or have questions regarding them, they may be accessed on the District Website: www.bristoltwpsd.org.

Administrators from the Elementary Schools hope that parents/guardians and students will discuss the policies and procedures contained in this manual and the serious implications for those that violate basic school rules. When students, parents/guardians, and school staff understand their roles and responsibilities of the others, good working relationships are developed. Mutual confidence and respect will always help to provide a secure place for all of our students.

Accidents

Accidents occurring in the school building, in school vehicles, on school grounds, at any athletic event, or during any school-sponsored activity must be reported to the person in charge at the time, as well as to the school nurse.

Act 80 Days

In accordance with Act 80, BTSD has designated Act 80 days for the faculty, staff, and administration to address curricular issues. The entire staff will be involved with this process, and students will be dismissed early on occasions or will not report to school at all.

On days of early dismissals, no activity buses will be provided, and all students must leave the building at dismissal. Coaches/Advisors will notify participants of schedules.

Address Changes

Changes of address, telephone number, name, or parent/guardianship must be reported promptly to the school secretary. Failure to do so may be reason for withdrawal of the student.

A change of address must be accompanied by proof of residency. Completing an emergency card for the nurse does not automatically change computer information.

Assault of Students

(School Board Policy No. 218.3)

The Administration and teachers have a zero tolerance for any violent act or actions that endanger the safety of any of our students. Any student who fights will be suspended, with a probable citation from the Bristol Township Police that will result in a fine of at least \$300. It doesn't matter who starts the fight or who swings first -- if both students are considered to be fighting, both students will be suspended and cited under the PA Crimes Code.

If students know of a fight or feel threatened to fight, they should tell a teacher, report to the Guidance office or talk to one of the principals immediately. School staff will assist in mediating or resolving the issue.

Students are also reminded that kicking, tripping, pushing, wrestling, or other types of horseplay endanger the safety of students and most often results in fighting. **Students who cause physical injury to another student or who persistently engage in horseplay will be suspended for endangering the safety of other students.**

This policy applies to conduct of students while under the supervision of the school or any time while on school property, while present at school-sponsored activities, and while traveling to or from school or school-sponsored activities.

Assessments

(School Board Policy No. 127)

The Board will grant requests by parents/guardians to review the state assessments two (2) weeks prior to their administration, during regular District office hours. The District will ensure the security of the assessment documents.

The Board will grant parents/guardians the right to have their child excused from state assessments that conflict with their religious beliefs, upon receipt of a written request to the Superintendent.

The Superintendent or designee will annually disseminate to parents/guardians and the public, information regarding student assessment results.

Attendance

(School Board Policy No. 204)

No factor has a more direct relationship to a student's success in school than a good attendance record.

Attendance is required of all students enrolled in the District during the days and hours that the school is in session.

Attendance Regulations and Responsibilities

Philosophy

The Bristol Township School District believes that daily attendance is an integral part of an effective educational environment. Since learning occurs in a sequential order, regular attendance is necessary for students to build upon previous information, to provide understanding, and to develop skills in all areas of the curriculum. Daily attendance contributes to the total development of the student and helps the student develop a sense of responsibility, self-discipline, and good work habits. Attendance is essential if students are to derive maximum benefit from their education and reach their fullest potential.

Attendance Policy

Reasonable cause for absence from school: illness, quarantine, recovery from an accident, required court attendance, death in the family, family educational trips, or educational tours and trips. Religious holidays approved by the Board shall also be excused.

If written excuses are not provided within 3 days of the absence, the days will be considered unexcused. Excuses received after three (3) but before fifteen (15) days will be considered by an attendance committee. Written excuses received after fifteen (15) days may be considered unlawful. All absences beyond ten (10) cumulative days shall require an excuse from a licensed practitioner of the healing arts in any state, commonwealth or territory. Students with three (3) or more unexcused absences will receive written notification from the school.

Students under age 18 will be referred to the District Home and School Visitor. Absences will become illegal and may result in a summary conviction for a violation of Compulsory

School Attendance Laws. Unexcused absences for all students may result in school disciplinary action in accordance with the Discipline & Attendance Guidelines. Excuses must be for one of the permissible reasons for absence stated above. For students age 18 or older, that are absent for more than 30 days in a school year, may be subject to withdrawal from school proceedings.

- **Attendance Procedures**

If the attendance regulations are to be effective in reducing unnecessary student absenteeism, student absences must be monitored and related to appropriate school responses. The Discipline and Attendance Guidelines provides for appropriate disciplinary options and responses related to school tardiness and truancy. Procedures for attendance are as follows:

1. When a student is absent, a phone contact and/or evening computer message will inform parents/guardians of absence.
2. **If written excuses are not provided within 3 school days of the date of absence, the days of absence will be considered unexcused.**
3. At the discretion of an Administrator or of the Home and School Visitor, medical excuses may be required in cases of questionable absences and for absences exceeding 10 days per school year. Medical excuses must contain specific dates of absence. Blanket medical excuses will not be accepted. Medical excuses that are altered in any way will not be accepted. **Medical notes for chronic medical issues must be renewed on a yearly basis.**
4. Truancy, tardiness, and unexcused absences are behaviors which are subject to a disciplinary response under the Discipline & Attendance Guidelines.
5. Counselor contact will be made with the student whose attendance is infrequent or irregular.

Absence Notes Required: Absence notes are required for all absences, and absences shall be considered as unlawful until the school receives a written excuse explaining the absence. Absence notes must be submitted within three days of the return to school. Notes received after the three days but before 15 days will be considered by an attendance committee. **Parents/guardians may submit absence notes until the 10th absence, after that only notes from a licensed practitioner of the healing arts are accepted.**

Excused Absences: The District considers the following conditions as reasonable absence from school: illness, quarantine, recovery from accident, required court attendance, death in the family, family educational trips (with prior approval), and educational tours and trips. A student will be considered in attendance if present at any place where school is in session by authority of the Board; the student is receiving tutorial instruction, or health or therapeutic services; the student is engaged in an approved and properly supervised independent study, work-study or career education program; the student is receiving approved homebound instruction.

Habitual Truancy: Habitual Truancy shall mean 6 or more school days of unexcused absences for a student subject to compulsory school attendance. Should a student be found to be habitually truant a student attendance improvement plan conference will be held.

Excessive Absences: BTSD mandates that absences of more than 10 days per school year are excessive. Any student who is absent more than 10 days shall have his/her

attendance records reviewed by the Principal or his/her designee. The student may be required to appear at a hearing of the school's attendance review board. Included in these 10 days are all excused absences, unexcused absences, and suspensions.

Parents/Guardians of students who accrue 3 or more unexcused absences will be issued an **Official First Notice. This notice is issued once per school term.** The notice informs the parent/guardian of the PA State Law, the dates of unexcused absences and that any further unexcused absences will result in a student attendance improvement plan conference and may result in a referral to a school based or community based attendance improvement program, county children and youth agency and/or a citation for truancy to the District Magistrate.

Make Up Work: Students who are absent from school will have the opportunity to make up missed work. **All absences other than illness and family emergencies must be approved in advance. Educational/Family trips must get principal approval by submitting a written request at least ten days prior to the desired trip.**

Religious Observance/Instruction: An absence occasioned by observance of a student's religion on a day approved by the Board as a religious holiday shall be excused.

Students will be released from attendance for participation in a religious instruction program acknowledged by the Board. Such instruction shall not require the child's absence from school for more than 36 hours per school year. The Board will not provide transportation to the religious instruction.

Perfect Attendance: Schools may recognize those students who attain perfect attendance status. The District defines perfect attendance as being present in school every day, never tardy, and never excused early. When at a school sponsored activity, students are considered present. If absent for pre-approved religious education, though marked as an excused absence, students will not be penalized. They will be considered present for perfect attendance awards.

Students who are transported should be expected to wait a reasonable length of time if the bus is delayed. Students arriving on a late bus will not be marked late, therefore they will still qualify for perfect attendance. **Missing the school bus is not an excuse for missing school.**

Guidelines for Keeping Child Home

Question: How do I decide if my child is too ill to attend school?

You should keep your child at home if he/she has any of the following symptoms:

- A fever of 100° or higher
- Vomiting or Diarrhea
- Persistent cough or thick nasal discharge
- Itchy, watery red eyes with a crusty discharge
- Severe ear pain

Authority of Teachers and Other District Employees (School Board Policy No. 218)

Teaching staff and other District employees responsible for students have the authority to take reasonable actions necessary to control the conduct of students in all situations and in all places where students are within the jurisdiction of this Board, and when such conduct

interferes with the educational program of the schools or threatens the health and safety of others.

Bicycles and Other Vehicles **(School Board Policy No. 223)**

The Board regards the use of bicycles for travel to and from school by students as an assumption of responsibility/risk by parents/guardians and students. Rollerblades, skateboards, hoverboards, and scooters are prohibited on school property, and students may not ride them to or from school. Likewise, students are forbidden to use sneakers with wheels in the hallways and on any school property. Any student who violates traffic laws or endangers their own safety or the safety of anyone else on the way to school or on the way home will be disciplined by Administration and will be reported to the Bristol Township Police.

Bullying/Cyber Bullying **(School Board Policy No. 249)**

The School Board is committed to providing a safe, positive learning environment for our students. Therefore, the Board prohibits bullying by District students. The Board recognizes that bullying creates an atmosphere of fear and intimidation, detracts from the safe environment necessary for student learning and may lead to more serious violence. Therefore, the Board prohibits bullying by District students.

Bullying means an intentional electronic, written, verbal or physical act or series of acts directed at another student or students, which occurs in a school setting and/or outside a school setting, that is severe, persistent or pervasive and has the effect of doing any of the following:

- Substantial interference with a student's education
- Creation of a threatening environment
- Substantial disruption of the orderly operation of the school

The Board prohibits all forms of bullying by District students. Bullying includes cyber-bullying by electronic means.

The Board encourages students who have been bullied to promptly report such incidents to the building principal or designee.

Any student who violates BTSD Board Policy No. 249 shall be subject to disciplinary action consistent with the Discipline & Attendance Guidelines, which may include:

- Loss of school and/or bus privileges.
- Exclusion from school-sponsored activities
- Suspension
- Expulsion
- Transfer to another school building, classroom or bus
- Counseling/Therapy outside of school
- Referral to law enforcement officials

To see the full policy and complaint procedures, please review District Policy No. 249 which is available on the District website at www.bristoltwpsd.org. Report forms are also available on the District website.

Bus Safety Rules/Transportation **(School Board Policy No. 810)**

Riding the bus is a privilege. In accordance with Board policies and guidelines and contractor regulations, each school bus driver is authorized to implement safety and behavior standards on his/her bus. Drivers are to report any discipline or safety concerns to the Transportation Coordinator in writing which he/she will share with Administrators for the discipline of students. The driver, as well as the contractor and the administrator in charge of transportation, shall maintain a list of students assigned to the bus, and the driver shall assume responsibility of informing the students of standards required of them. Each student may board and depart from their **assigned** bus only at the stop designated for him/her. Any alternate transportation needs are to be done in the car line. The district reserves the right to withdraw the privilege of transportation from any student after presenting to the student and parent/guardian just cause for the withdrawal. Failure to follow the rules can create an unsafe environment on or around the bus, which increases the risk of injury or accident for all the other riders and drivers. These rules help insure safe bus transportation for students and bus drivers.

Buses may be equipped with cameras or other recording devices. The recordings will be used to monitor student behavior to maintain order on the school buses and to promote and maintain a safe environment. Students and parents/guardians are hereby notified that the content of the recordings may be used in a student disciplinary proceeding. Students who violate these Bus Safety Rules may be excluded from riding the bus and may be subject to further disciplinary action. Parents/guardians are responsible for transporting their child to and from school if the child has been excluded from bus transportation.

Email Transportation concerns or issues to: transportation@bristoltwpsd.org
For immediate attention call 267-599-2390

Students must follow the following Bus Safety Rules:

Three General Rules

- Always follow the directions of the bus driver.
- Obey all safety rules.
- Be courteous to all passengers and respect what belongs to them.

Waiting for the Bus

- Help the buses run on time. Be at your stop **at least** 5 minutes before and 5 minutes beyond your assigned stop time.
- Be considerate of private property. Stay off the lawns of homes near the bus stop.
- Stay off the road while waiting for your bus.
- Do not approach the bus while it is still moving.
- Do not push or crowd when getting on the bus.
- If you are late, never run after a moving bus. Turn around and go home.

- Walk at least 10 feet out from the front bumper of the school bus and you will stay outside the danger zone surrounding the school bus.
- Students must always remain where the driver can see them.
- Students must always cross **in front** of the school bus.

Riding the Bus

- Keep all parts of your body inside the bus at all times.
- Help keep the bus clean. Don't throw any objects on the floor or out the windows.
- Talk quietly and avoid loud, boisterous behavior, including singing, clapping, stomping or yelling that would be distracting to the driver.
- Live animals, glass containers, firearms, or any items that could be considered a weapon (i.e. toy guns, knives, razors, etc.) , explosives, or any other dangerous or objectionable item may not be taken on the bus. Balls for sports are not allowed on the bus unless they fit in the student's school bags and stay there at all times. No scooters, hoverboards or skateboards.
- Keep objects out of the aisle. Gym bags, instruments, school projects, etc., that do not fit on your lap or underneath your seat, will not be allowed on the bus.
- Find a seat as soon as you board the bus. Bus drivers can assign seats. Do not leave your seat while the bus is moving. Face the front of the bus at all times and stay seated until it stops.
- Share your seat with others. Three small students may fit in a seat as long as a student is not hanging out into the aisle.
- Absolute quiet is required when the bus approaches a railroad crossing so the driver can listen for an approaching train.
- No smoking, vaping, electronic cigarettes, lighted matches, or open flames are permitted on the bus.
- You, the student, will have to pay for the repair of any damage you may cause to the bus.
- No spitting, eating or drinking on the bus.
- No inappropriate use of any electronic device that causes a disruption on the bus and distraction to the driver will not be permitted at any time.
Example: video or photographs of other passengers, postings on social media, inappropriate or audible music or videos.
- Do not ride a bus you are not assigned to.
- No spraying of cologne, deodorant, body spray or any other type of chemicals or aerosols, pump spray or lotion while on the bus.
- Never tamper with emergency exits, or equipment unless an actual emergency exists.
- No profanity, verbal abuse, harassment, teasing, obscene or sexual gestures.

Leaving the Bus

- Always cross the street 10 feet in front of the bus where the driver can see you.
- Stay 10 feet away from the side of the bus, unless you are approaching the entrance door.
- Drivers are allowed to drop off passengers only at the student's regularly scheduled bus stops.
- Kindergarten and designated special needs students must be met at the bus stop by a parent, guardian or responsible older sibling. If no parent is available after a series of attempts to drop off, the driver will contact the school and transportation office and the child will be returned to school per School Board Policy No. 810.

Cafeteria Expectations

Students are expected to:

- Stand in line properly, with no pushing or butting in line.
- Walk. Running is NOT acceptable behavior.
- Sit properly in the seat. Students are not to lean back on their chairs or move chairs around to other tables. Feet are to be on the floor.
- Show proper table manners. Throwing food, stealing, or handling other students' food is prohibited.
- Not comb hair or apply makeup at the lunch table.
- Not take food, beverages, candy, or snacks from the cafeteria.
- Follow hall pass procedures. No student is to leave the cafeteria without a pass from a teacher or staff member.
- Keep the dining area clean. Trash is to be picked up and placed (not thrown) into the garbage cans.
- Keep noise at a moderate/reasonable level. No disruptive or loud behavior is permitted.
- Sit at assigned tables unless permission is given to sit elsewhere by a principal or teacher.

Cafeteria Regulations

The prices for the various lunch items will be published prior to the opening of school. The menu will be posted throughout the school, published in the newspaper, and read each day during announcements.

The lunch period is a busy time and proper management and decorum are necessary. It is important that all students follow the directions of the teacher or staff members who are in charge of lunch shifts.

Care of School Property (School Board Policy No. 224)

Our elementary schools stress pride in their buildings, and that includes making sure that our appearance is always appealing. School facilities should be treated with care and concern, and all of us should be aware that visitors are judging our school by the appearance we keep. No student should litter the hallways or the outside area with paper or other garbage. Please put paper and trash in the proper receptacles.

Any student who damages school property will be held liable for the damage. A bill will be submitted to the parents/guardians for the cost of such damage. Students may also be suspended for damage done to school property. Students and others who deface or damage any school property may also be prosecuted and punished under the law. Parents/Guardians of those students will be held accountable for their students' actions.

Students who lose or damage textbooks, supplies, equipment, or furniture will be expected to repay an appropriate amount to replace the damaged property.

At any time the lavatories of the school are vandalized, the principals may impose a bathroom lockdown for the whole school, for boys or girls only, or for selected grade levels. At that time, all student lavatories will be locked with the exception of one that can be closely supervised by a principal or staff member. During a lavatory lockdown students may use the lavatory between classes only. In cases of emergency, students will report to the nurse or the main office. The lockdown will be in effect until the vandalized lavatories are repaired or cleaned.

All acts of vandalism, theft or property damage may be reported to the Bristol Township Police.

Child/Student Abuse **(School Board Policy No. 806)**

With some limited exceptions, a school employee is a mandated employer and shall make a report of suspected child abuse if the person has reasonable cause to suspect that a child is a victim of child abuse under any of the following circumstances: (i) The mandated reporter comes into contact with the child in the course of employment, occupation and practice of a profession or through a regularly scheduled program, activity or service;; (ii) The mandated reporter is directly responsible for the care, supervision, guidance or training of the child, or is affiliated with an agency, institution, organization, school, regularly established church or religious organization or other entity that is directly responsible for the care, supervision, guidance or training of the child; (iii) A person makes a specific disclosure to the mandated reporter that an identifiable child is the victim of child abuse; and (iv) An individual 14 years of age or older makes a specific disclosure to the mandated reporter that the individual has committed child abuse.

Any person required to report child abuse who, in good faith, reports or causes the report to be made shall have immunity from civil and criminal liability related to those actions.

School officials shall cooperate with the Department of Public Welfare or the county agency investigating a report of suspected child abuse, including permitting authorized personnel to interview the child while in attendance at school.

Class Activities: Dances, Trips **(School Board Policy No. 231)**

Attendance on any school trip or school function (dances, etc.) is at the discretion of the Principal or his designated representative. Students who have been suspended or have excessive disciplinary referrals, chronic absenteeism or lateness may be excluded from any or all activities. The simple act of purchasing a ticket for these functions does not automatically signify permission to attend. Anyone purchasing a ticket, who is not permitted to attend, will have his or her ticket money refunded when possible. Trip money may **not** be able to be refunded because of the use of outside vendors. All dances are "closed" to non BTSD students.

Closing of School

Announcements concerning the closing of school due to inclement weather or other emergencies will be announced on the local radio station, WBCB, 1490 AM and our District website, which is www.bristoltwpsd.org. If listening to a Philadelphia station, the emergency closing number is **774**.

Please do not call the school on days that there may be a closing or delayed opening. Phone lines need to be kept open for other important matters that are necessary for keeping our schools safe during an emergency situation.

Communicable Diseases **(School Board Policy No. 203)**

Students who have been diagnosed by a physician, or if a school nurse suspects has a disease, will be excluded from school for the period indicated by regulations of the Department of Health for certain specified diseases and infectious conditions.

Instruction regarding prevention of communicable and life threatening diseases shall be provided by the schools in the educational program for all levels, in accordance with state regulations.

Parents/guardians may review all curriculum materials used in instruction relative to communicable and life threatening diseases during school hours.

Complete copy of Communicable Diseases District Policy No. 203 is available on the District website at www.bristoltwpsd.org.

Conduct at Assembly Programs

School faculty and principals hold high expectations for student behavior, and all presenters of assemblies will be treated with respect. At times it may be necessary for a teacher, a team, or an administrator to remove a student from an assembly program because of behavioral problems.

Controlled Substances/Paraphernalia ***(School Board Policy No. 227)***

Substance abuse, use of drugs and/or alcohol will not be tolerated on BTSD property, at any school sponsored activity and during the time spent traveling to and from school and school sponsored activities. Pennsylvania Board of Education regulations require that all instances of possession, use or sale of a controlled substance or drug paraphernalia will be immediately reported to the local police department. Parents/Guardians will be advised whether the police department has or will be notified of the incident. Please refer to District Policy No. 227, which addresses the possible disciplinary actions, which may include arrest, suspension, or expulsion, in conjunction with referrals for student assistance.

Counseling

Counseling services include academic and personal. To find out how to make an appointment with a counselor, parents/guardians should contact the principal.

Curriculum Review ***(School Board Policy No. 105.1)***

Upon request by a parent/guardian or student, the District will make available existing information about the curriculum, including academic standards to be achieved, instructional materials and assessment techniques.

Dating Violence ***(School Board Policy No. 252)***

The purpose of this policy is to maintain a safe, positive learning environment for all students that is free from dating violence. Dating violence is inconsistent with the educational goals of the district and is prohibited at all times.

The Board encourages students who have been subjected to dating violence to promptly report such incidents.

The district shall investigate promptly all complaints of dating violence and shall administer appropriate discipline to any student who violates this policy.

When a student believes that she/he has been subject to dating violence, the student is encouraged to promptly report the incident, orally or in writing, to the building principal or designee.

The district may provide dating violence training to guidance counselors, nurses, and mental health staff at the high school as deemed necessary. At the discretion of the Superintendent, parents/guardians and other staff may also receive training on dating violence.

The district may incorporate age-appropriate dating violence education into the annual health curriculum framework for students in grades nine through twelve. The district shall consult with at least one (1) local domestic violence program or rape crisis program when developing the educational program.

A parent/guardian of a student under the age of eighteen (18) shall be permitted to examine the instructional materials for the dating violence education program.

At the request of the parent/guardian, the student may be excused from all or part of the dating violence education program.

Daytime Curfew

On July 14, 1999, the Bristol Township Supervisors enacted a daytime curfew for all school children, ages 8 to 18. This ordinance stipulates that students must be in school on all days school is in session and are not to be found on/in any public street or place when they should be in school. Students found in public places during school hours will be stopped by police and brought back to their school and issued a citation, which could carry a fine of up to \$300.00 plus court costs. Parents and/or guardians with students, who refuse to leave home to attend school, can call Bristol Township Police at 215-785-4040 and police will bring the student to school and issue the citation. Payment of this fine can then be averted by continuously attending school for 30 days following the issuance of the citation.

Discipline

(School Board Policy No. 218)

Students are responsible for abiding by the rules and regulations of the BTSD Discipline & Attendance Guidelines.

Students are to obey all rules and regulations of the school, as well as the policies of the Board of School Directors.

Disorderly Conduct

Disorderly conduct is considered behavior on the part of a student, which causes public inconvenience, annoyance or alarm. Such behavior may include but is not limited to fighting, threatening, or violent acts. Excessive noise, obscene language/gestures, or creating a hazardous or physically offensive condition is also considered disorderly conduct. All such actions may be reported to the Bristol Township Police. Students involved in any of the above behaviors are subject to suspension and/or could be cited under PA Crimes Code.

Dress Code

(School Board Policy No. 221)

Students, parents/guardians, and faculty members alike frequently observe that our behavior is often influenced by what we wear. There seems to be a positive relationship between the way people look and the way they act. With that in mind, the BTSD School Board provides students with a Policy and Guidelines for appropriate and inappropriate attire for school attendance. These guidelines are re-evaluated periodically in response to emerging fashion trends.

In the hallways and classroom students are **NOT** permitted to wear:

- Tank tops, tube tops, halters, half shirts or blouses
- Spandex tops or shorts
- Wallet chains, choker chains, or studded jewelry or clothing
- Hats and hoods inside the building
- See-through clothing without proper undergarments
- Any apparel that overexposes the body, such as bare midriffs or short skirts
- Gym shorts, silks, cut off jeans, short shorts, or tightly fitting shorts
- Clothing with objectionable phrases or with advertisements for drugs, alcohol, or cigarettes.
- Heavy clothing normally worn outdoors (including jackets, coats, hooded lined sweaters, or excessive layers of clothing)
- Pajamas or bedroom slippers
- Flip Flops/ Sports sandals
- Pants / Shorts are to be worn at waist level

To ensure their health; students may be required to wear certain types of clothing while participating in physical education classes, labs, or other classes where special attire may be required.

Early Dismissal

- School administrators may deny a request for early dismissal if a student has a record of poor attendance, chronic lateness, poor academic achievement or the abuse of the early excusal privilege.
- Arrangements for an early dismissal must be made in the main office before the school day begins.
- A student leaving early for a medical appointment must show an appointment card from the doctor, or provide the doctor's phone number for verification.
- Early dismissals should be for emergencies or important reasons. **Appointments should be made for after school hours.**
- Parents or guardians must come to the office to pick up their son or daughter. **These persons should be prepared to show proper identification.**
- Students will not be allowed early excusal because of lack of childcare for their child or their siblings.

- **Students who feel ill must report to the school nurse prior to leaving the building.** The nurse will make a determination as to whether or not the student will be sent home. Students being sent home will be given an early excusal form by the nurse. **At no time should students call home themselves to arrange to be picked up, prior to seeing the nurse.**

Parent/Guardian will be asked for photo identification when picking up a student from school.

Emergency/Fire Drills

Emergency drills will be conducted regularly, and all students are required to take the exercise seriously. A drill is not to be considered as a recess, but as an exercise that could save lives.

At the sound of the fire alarm, students should immediately follow the direction of their teachers. Students will walk out of the building quietly in single file. There shall be no pushing, shouting, or horseplay.

Once outside, students will line up behind their teacher. All students will wait quietly while their teachers take roll. At the signal, all students will return to their classrooms, once again

in a quiet, orderly fashion. Students who cannot follow the procedures correctly will be referred to the principal's office.

All school rules are in effect, and students are required to follow the directions of their teachers.

For any field trip (including all End-of Year Activities) there are academic, attendance, and behavioral requirements that students must meet in order to be eligible for the trip. There may be additional requirements for students to participate in any end of year activities.

Financial Obligations

Students are obligated to return or make restitution for all borrowed books, materials and equipment. Restitution is also required for damage caused by student carelessness or vandalism. Students should be encouraged to resolve financial obligations as they are incurred rather than postponing them until a later date. The penalty for failure to resolve obligations by the end of the school year results in the withholding of the students final report card. These obligations will follow the students to middle school if not met.

Food Allergy Management

(School Board Policy No. 209.1)

The District is committed to providing a safe and healthy environment for students with severe or life-threatening food allergies. Prior to enrollment in the District or immediately after diagnosis of a food allergy, appropriate medical plans of care shall be developed for each student identified with a food allergy. This policy is intended to ensure that all users continue to enjoy access to the District's technology resources and that such resources are utilized in an appropriate manner and for legitimate purposes.

Definitions

District Technology Resources

District technology resources mean all technology owned, operated, and/or licensed by the District, including computers, projectors, televisions, video and sound systems, mobile devices, calculators, scanners, printers, cameras, portable hard drives, hardware, software, accounts, routers, and networks, including the Internet.

User

User means anyone who utilizes or attempts to utilize District technology resources while on or off District property. The term includes, but is not limited to, students, staff, parents and/or guardians, and any visitors to the District that may use District technology.

Authority

The Board establishes that access to and use of its technology resources is a privilege, not a right, which may be revoked at any time. The District's technology resources are the property of the District. The District provides these resources for educational and operational purposes as stated herein and are not provided as a public access service or to provide a public forum.

The Superintendent or his/her designee is ultimately responsible for overseeing the District's technology resources. The Superintendent will designate a network administrator who will serve as the coordinator and supervisor of the District's technology resources and networks, and who will work with other regional and state organizations as necessary to educate users, approve activities, provide leadership for proper training for all users in the use of the District's technology resources and the requirements of this policy, and who will establish a system to ensure that users who access District technology resources have agreed to abide by the terms of this policy.

The Superintendent or his/her designee is directed to implement Internet safety measures to effectively address the following, both through general policy and through the use of filtering technology:

1. Access by minors to inappropriate or harmful content.
2. Safety and security of minors when using electronic mail, chat rooms, and social networking.
3. Prevention of unauthorized access of District technology resources.
4. Prevention of unauthorized disclosure and dissemination of minors' personal information.

The District makes no warranties of any kind, whether expressed or implied, for the service, it is providing through its various technology resources. The District is not responsible, and will not be responsible for any damages, including loss of data resulting from delays, non-deliveries, missed deliveries, or service interruptions. Use of any information obtained through the District's technology resources is at the user's own risk.

Guidelines

Un-authorized Use Prohibited

Only users who have agreed to abide by the terms of this policy may utilize the District's technology resources. Unauthorized use, utilizing another user's District account, or exceeding one's authorization to use District technology resources is prohibited. The District reserves the right to monitor any user's utilization of District technology resources. Users have no expectation of privacy while using District technology resources whether on or off District property. The District may monitor, inspect, copy, and review any and all usage of District technology resources including information transmitted and received via the internet to ensure compliance with this and other District policies, and state and federal law. All e-mails and messages, as well as any files stored on District technology resources, may be inspected at any time for any reason. The District may decrypt and inspect encrypted internet traffic and communications to ensure compliance with this policy.

Internet Filtering and CIPA Compliance

The District utilizes content and message filters to prevent users from accessing material through District technology resources that have been determined to be obscene, offensive, pornographic, harmful to minors, or otherwise inconsistent with the District's educational mission. The Superintendent or his/her designee shall establish a procedure for users to request that a legitimate website or educational resource not be blocked by the District's filters for a bona fide educational purpose. Such requests must be either granted or rejected within three school-days pursuant to the established procedure.

The Board directs that the Superintendent or his/her designee ensure that students at the elementary, middle school, and high school levels are educated about appropriate online

behavior including interacting via social networks and in chat rooms, cyber-bullying, and disclosure of personal information.

Monitoring

District technology resources shall be periodically monitored to ensure compliance with this and other District policies including monitoring of users' online activities. The network administrator designated by the Superintendent shall ensure that regular monitoring is completed pursuant to this section. However, the Superintendent, or his/her designee, shall also implement procedures to ensure that District technology resources are not utilized to track the whereabouts or movements of individuals and that remotely activated cameras and/or audio are not utilized except where necessary to recover lost or stolen District technology.

District Provided Resources

District technology resources may be assigned or allocated to an individual user for his or her use (e.g. individual email accounts, laptop computers, etc.) Despite being allocated to a particular user, the technology resources remain the property of the District and may be revoked, suspended, or inspected at any time to ensure compliance with this and other District policies. Dear Parent/Guardian:

On December 10, 2015 a new federal education law was signed by the President. This law, the Every Student Succeeds Act (ESSA), requires schools that received federal Title 1 funding ensure that all teachers teaching in a program supported with Title 1 funding must hold appropriate state certification and licensure requirements, including any requirements for certification obtained through alternative routes to certification.

The new law also requires us to notify parents if their child is being taught for four or more consecutive weeks by a teacher in a Title 1 school or program who does not yet meet the definition of "appropriate state certification".

This letter is to inform you that your child's teacher, _____, is in the process of meeting these requirements, and we are providing him/her the support necessary for success.

Your child's teacher is dedicated to the success of every child in the class. While report cards are an important measure of student success, it is not the only opportunity you have to access your child's achievement and growth. As the year progresses please feel free to contact us and request additional information regarding your child's progress.

I thank you for your continued support of your child's education and encourage you to communicate with his or her teacher on a regular basis so that together we can provide your child with the best education possible.

Sincerely,

Principal
