Health Services Department**

Levittown, PA 19057

Dear Parent or Guardian:

In accordance with Pennsylvania School Law, **dental examinations** are required for school children in Bristol Township in the following grades:

1. Upon entry into school—**kindergarten or first grade**
2. In the **third grade**
3. In the **seventh grade**

These grades were chosen because they normally mark important periods of growth and development in a child's life.

You may choose to have this examination done by your family dentist or have the school dentist examine your child. It is preferable to have your own dentist do it, as he/she is more familiar with your child and their history.

If you choose to have your own dentist perform the examination, please provide written proof. The private dental exam should have been completed no earlier than 12 months before the opening of the current school year.

Thank you for your cooperation in this important health matter. *If you have any questions, please call your school nurse at the number listed below.*
